Pattern Notes

- This pattern works with **multiples of even numbers**.
 - The bobble rows alternate with single crochet rows.
 - Bobbles naturally pop to the **back side of the fabric**, so the right side will be the side opposite where you are working them.
-

Starting Chain

Make a slipknot.

Chain 24.

This chain length follows the rule of **even-number multiples**.

Turn the project to begin Row 1.

Row 1

Skip the first chain and start in the **second chain from the hook**.

Work **1 single crochet in every chain across the row**.

You should end with **23 single crochets**.

Chain 1.

Turn the project.

Row 2 – Bobble Row

This row introduces the textured bobble stitches.

Start with **1 single crochet in the first stitch after the hook**.

In the next stitch, create a **bobble stitch**.

How to Make the Bobble Stitch

1. Yarn over.
2. Insert hook into the next stitch.
3. Yarn over and pull up a loop.
4. Yarn over and pull through **two loops only**.

You now have **two loops on the hook**.

Repeat the same steps **five more times in the same stitch**, stopping halfway each time.

You should now have **six unfinished double crochets** on the hook.

Yarn over and **pull through all loops on the hook at once**.

Your bobble stitch is complete.

Continue the Pattern

After the bobble:

- Work **1 single crochet in the next stitch**.

Repeat this sequence across the row:

Bobble stitch
Single crochet

Continue alternating until the end of the row.

The **last stitch should be a single crochet.**

Chain 2.

Turn the project.

Row 3 – Single Crochet Row

Skip the first chain and start in the **second chain from the hook.**

Work **1 single crochet in every stitch across the row.**

This row helps lock the bobbles into place and creates the spacing between bobble rows.

Chain 2.

Turn the project.

Row 4 – Bobble Row

This row repeats the same pattern as Row 2.

Start with **1 single crochet in the first stitch.**

In the next stitch, make a **bobble stitch.**

Continue alternating:

Bobble stitch

Single crochet

Repeat across the row.

The final stitch should be a **single crochet.**

Chain 2.

Turn the project.

Row 5 – Pink Finishing Row

Join **pink yarn**.

Work **1 double crochet into each stitch across the row**.

Continue until you reach the end of the row.

Fasten off and weave in all ends.

To Close the Back of the Bodice

Make **60 chains** to create a lace/string.

Fasten off, leaving the chain as one long tie.

Use the chain to lace up the back of the blouse.

Thread the chain/strap through the loops along **both sides of the project at the back**, working back and forth between the two sides like a lace-up closure.

Once the blouse is on the fashion doll, gently pull the lace to adjust the fit.

Tie the ends of the chain together to secure the blouse.
