

Embellished Rose Bud Fashion Doll Crochet Hat Pattern & Tutorial

Embellished Rose Bud Fashion Doll Crochet Hat

Pattern & Tutorial

This **Embellished Rose Bud Fashion Doll Crochet Hat** combines a soft, textured crochet design with tiny embroidered flowers for a wonderfully romantic finish. The fitted crown is worked in simple rounds before opening into a generously ruffled brim, while the embroidered pink rose buds and green leaves turn the finished hat into a miniature garden-inspired accessory. It is a lovely piece for pairing with casual doll outfits, pretty dresses, or other handmade crochet fashions.

Crochet Supplies

- Worsted weight acrylic, cotton, or cotton-blend yarn
- 2.5 mm crochet hook
- Yarn needle
- Scissors
- Pink yarn or embroidery thread for the rose buds
- Green yarn or embroidery thread for the leaves

You can use one shade for the main hat and contrasting shades for the floral embellishments. The sample hat uses **light pink for the hat, deeper pink for the rose buds, and green for the leaves.**

Crochet Abbreviations

ch - chain

dc - double crochet

dc2tog - double crochet two together / double crochet decrease

sl st - slip stitch

Starting the Crown

Make a **slip knot** and place it onto your crochet hook.

Chain 6.

Bring the first and last chains together and join with a **slip stitch** to form a ring. Be careful not to twist the chain as you join it.

Round 1 - Building the Centre

Work **10 double crochets into the middle of the ring.**

Once all 10 double crochets have been completed, join the end of the round with a **slip stitch.**

Chain 1.

The first round creates the small circular centre at the very top of the hat.

Round 2 - Expanding the Crown

Work **2 double crochets into every stitch** around the entire round.

Placing two double crochets into each stitch increases the size of the crown and allows the crochet circle to begin expanding outward.

Join the end of the round with a **slip stitch**.

Chain 1.

Round 3 - Shaping the Hat

For this round, work **1 double crochet decrease, followed by 1 full double crochet into the next stitch**.

Continue repeating this sequence around the entire round:

dc2tog, 1 dc, dc2tog, 1 dc...

The decreases help shape the crochet piece so that it begins forming the rounded crown of the hat rather than continuing to lie completely flat.

Join the end of the round with a **slip stitch**.

Chain 1.

Round 4 - Adding Crown Depth

Work **1 double crochet into every stitch** around the entire round.

This even round adds more depth to the crown and helps the hat sit comfortably over your fashion doll's head.

Join the end of the round with a **slip stitch**.

Chain 1.

At this stage, you can place the unfinished hat onto your doll to check the fit before crocheting the brim.

Round 5 - Creating the Ruffled Brim

Work **4 double crochets into every stitch** around the entire round.

The large number of stitches added during this round creates the full, wavy brim that gives the hat its pretty ruffled silhouette.

Continue working four double crochets into each stitch until you have crocheted all the way around.

Join the end of the round with a **slip stitch**.

Finishing the Crochet Hat

Fasten off your yarn and carefully weave in all loose yarn ends using a yarn needle. Gently shape the crown and arrange the ruffled brim until it sits the way you would like.

Try the finished hat on your fashion doll and lightly shape the brim around her head.

Embroidering the Rose Buds

Follow my [YouTube rose bud embroidery tutorial right here.](#)

The final detail is what transforms this simple pink crochet hat into a charming floral accessory.

Using contrasting **pink yarn or embroidery thread**, embroider small rose buds around the crown of the hat. Add **green embroidered leaves** beside the flowers to create little clusters of roses.

Space the rose buds around the crown rather than covering the entire hat so that the crochet texture remains visible between the flowers. You can also vary the direction of the buds and leaves for a more natural, hand-embroidered appearance.

Once the embroidery is finished, secure the loose ends neatly on the inside of the hat and trim away any excess yarn.

Your **Embellished Rose Bud Fashion Doll Crochet Hat** is now complete and ready to style with your favorite handmade doll clothes!
