Step-by-Step Crochet Handbag Pattern

Step 1: Create the Foundation Ring

- 1 Begin by making a slip knot with your olive-green yarn.
- 2 Chain 6 (CH 6).
- 3 Join the first and last chains with a slip stitch to form a small ring. Be careful not to twist the chain.

Step 2: Crochet the First Round

- 1 **Round 1:** Work 10 double crochet stitches (DC) into the centre of the foundation ring.
- 2 Join the last double crochet to the first double crochet with a slip stitch to close the round.

- 3 Chain 1 (CH 1) to prepare for the next round.

Step 3: Crochet the Second Round

- 1 **Round 2:** Work 2 double crochet stitches (DC) into every stitch around the previous round.
- 2 Continue until you have completed the entire round. You should have 20 double crochet stitches.
- 3 Join the last stitch to the first stitch with a slip stitch to complete the round.

Step 4: Crochet the Handbag Handle

- 1 Chain 12 (CH 12) to create the handbag handle.
- 2 Bring the loose end of the chain across the handbag to the opposite side.
- 3 Attach the handle to the opposite side of the bag using a slip stitch, making sure the handle forms a neat arch.
- 4 Fasten off and carefully weave in any loose yarn ends using your yarn needle.

The embroidered lazy daisy is the finishing detail that gives this miniature handbag its pretty floral appearance.

- 1 Thread your yarn needle with white yarn and secure it on the inside of the handbag.
- 2 Bring the needle through the front of the bag where you would like to position your flower.
- 3 Create your first lazy daisy petal by forming a small loop of yarn and securing the tip with a tiny stitch.
- 4 Repeat the process to create the remaining petals, arranging them around a central point.
- 5 Using golden-yellow yarn, embroider the centre of the flower with several small stitches until it has a lovely, rounded appearance.
- 6 Secure the yarn ends neatly on the inside of the handbag and trim any excess yarn.

Finishing Your Crochet Fashion Doll Handbag

Gently shape your completed handbag with your fingers to arrange the crochet stitches and give the bag its rounded appearance. Straighten the handle and adjust the embroidered flower petals if necessary.

Your Lazy Daisy Embellished Crochet Fashion Doll Handbag is now complete! Pair this charming little accessory with a handmade crochet dress, a pretty skirt and blouse, or a casual fashion doll outfit for a lovely finishing touch.
