

Rose Bud Embellished Crochet Fashion Doll Blouse Pattern & Tutorial

Rose Bud Embellished Crochet Fashion Doll Blouse Pattern & Tutorial

This pretty little crochet blouse combines a soft, textured stitch pattern with a romantic rose bud embellishment for a charming handmade fashion doll look. The blouse has a wide neckline that sits beautifully across the shoulders, short sleeves, and a slightly relaxed silhouette. The dimensional rose bud and green leaves add a lovely pop of colour against the blue crochet and turn a simple blouse into a special statement piece.

Crochet Supplies

For this project, you will need worsted weight acrylic, cotton, or cotton-blend yarn for the blouse, along with small amounts of pink and green yarn for the rose bud and leaves. You will also need a **2.5 mm crochet hook**, yarn needle, scissors, and stitch markers if desired.

This pattern is designed for **10.5-inch to 11.5-inch fashion dolls**. Because dolls can vary slightly in their body measurements, I recommend fitting the crochet pieces against your doll as you work and making small adjustments when necessary.

Blouse Front Panel

Slip Knot

Make a slip knot and place it onto your crochet hook.

Chain 28

Chain **28 stitches** to create the foundation for the blouse.

Round 1

Starting in the **3rd chain from the hook**, work **1 double crochet into each chain** across.

Chain 2 and turn your project.

Round 2

Starting in the **2nd stitch from the hook**, work **1 double crochet into each stitch** across.

Turn your project.

Round 3

Work **1 slip stitch into each of the first 6 stitches**.

Then work **1 double crochet into each of the following 14 stitches**.

Finish the row by working **1 slip stitch into each of the final 6 stitches**.

Fasten off.

This shorter center section begins shaping the upper portion of the blouse while leaving space at each side for the sleeves and underarm area.

Round 4

Join your yarn to the beginning of the **14 double crochet stitches from Round 3**.

Work **1 double crochet into each of the 14 double crochet stitches**.

Work a **slip stitch into the following stitch** to secure the final section.

Fasten off and weave in the yarn ends.

Crochet the Back Panel

Repeat the complete instructions for the Blouse Front Panel to create a second matching piece for the back of the blouse.

Before assembling the blouse, place the two panels together to make sure they are approximately the same size and shape.

Assemble the Blouse

Place the **front and back panels together**, lining up the edges.

Thread your yarn needle with matching yarn and stitch the panels together along the **sides, underarms, and tops of the shoulders**.

Take care to leave the neckline, sleeve openings, and bottom of the blouse open.

Once everything is securely stitched together, fasten off and weave in all remaining yarn ends.

Turn the blouse right side out and gently shape it with your fingers. Try it on your fashion doll and arrange the neckline and sleeves until they sit the way you like.

Add the Rose Bud Embellishment

The little rose bud is what gives this crochet blouse its romantic finishing touch. Crochet a small rose bud using **pink yarn** and create the accompanying leaves using **green yarn**.

Once your rose bud and leaves are complete, arrange them on the **front of the blouse**. Position the embellishment slightly to one side for a pretty decorative effect, or place it wherever you prefer.

Thread a yarn needle with coordinating yarn and carefully **stitch the rose bud and leaves onto the blouse**. Make several small, secure stitches through the underside of the flower and leaves so the embellishment stays firmly in place without flattening its dimensional shape.

Fasten off securely on the inside of the blouse and weave in the yarn ends.

Your **Rose Bud Embellished Crochet Fashion Doll Blouse** is now ready for styling! Pair it with a little denim skirt, pants, shorts, or another handmade doll fashion piece for a sweet crochet outfit with a lovely floral touch.
