Step-by-Step Crochet Handbag Tutorial

Getting Started: Creating the Foundation Ring

Step 1: Using your pink yarn and 2.5 mm crochet hook, make a slip knot to begin your project.

Step 2: Chain 6 (CH 6), keeping your stitches even and slightly loose.

Step 3: Join the first and last chains with a slip stitch (SL ST) to form a small circular ring. Be careful not to twist your chain before joining.

Round 1: Building the Handbag Base

Step 4: Work 10 double crochet stitches (10 DC) into the center of the ring, distributing the stitches evenly around the opening.

Step 5: Join the end of the round to the top of the first double crochet with a slip stitch (SL ST) to close the round.

Step 6: Chain 1 (CH 1) to prepare for the next round.

Round 2: Shaping the Handbag

Step 7: Work 2 double crochet stitches (2 DC) into every stitch around the previous round. This will increase the stitch count and create a fuller, rounded shape.

Step 8: Continue crocheting around until you have completed all 20 double crochet stitches.

Step 9: Join the end of the round with a slip stitch (SL ST) to complete the main body of your miniature handbag.

Creating the Crochet Handbag Handle

Step 10: Without cutting your yarn, chain 12 (CH 12) to create the handbag handle.

Step 11: Bring the loose end of the chain handle across to the opposite side of the handbag, making sure the handle is not twisted.

Step 12: Secure the handle to the opposite side of the handbag with a slip stitch (SL ST).

Step 13: Fasten off (FO), leaving a small yarn tail. Use your yarn needle to weave in any loose ends neatly.

Embellishing Your Handbag With a White Embroidered Blossom

The little white blossom is what gives this pink crochet handbag its sweet, decorative finish! Using white yarn and a yarn needle, create a cluster of embroidery knots in the center of the handbag to form a soft, textured floral embellishment.

Arrange your embroidered knots closely together to create a fuller flower effect. Secure the yarn ends neatly on the reverse side of the handbag once your embellishment is complete.

Finishing Touches

Once your handbag is complete, gently shape the crocheted edges with your fingers and adjust the chain handle so that it sits comfortably over your fashion doll's hand or arm.

Your Pink Blossom Crochet Fashion Doll Handbag is now ready to accessorize your doll's favorite outfits! Experiment with different yarn colors and embroidered embellishments to create a charming collection of miniature crochet handbags, each with its own pretty personality.
