Step 1: Creating the Handbag Base

1. Begin by making a **slip knot** on your crochet hook.
2. **Chain 6 (CH 6).**
3. Join the first and last chains together with a slip stitch to form a small ring.

Step 2: Crocheting the First Round

Round 1:

1. Work **10 double crochets (DC)** into the center of the ring.
2. Once you've completed all 10 double crochets, join the round with a slip stitch into the top of the first double crochet.
3. **Chain 1** to prepare for the next round.

Stitch Count: 10 DC

Step 3: Expanding the Handbag

Round 2:

1. Work **2 double crochets (DC)** into **every stitch** around the entire round.
2. Continue until you've worked into all 10 stitches from the previous round.
3. Join the end of the round with a slip stitch into the top of the first double crochet.

Stitch Count: 20 DC

Your crochet piece should now have a small, rounded shape that forms the main body of your miniature handbag.

Step 4: Adding the Crochet Handbag Handle

1. From your current position, **chain 12 (CH 12)** to create the handbag handle.
2. Bring the loose end of the chain across to the opposite side of the handbag.
3. Attach the end of the chain to a stitch on the opposite side using a **slip stitch (SL ST)**.
4. Check that the handle forms a neat arch above the handbag and is positioned evenly.
5. **Fasten off (FO)** and carefully weave in any loose yarn ends using a yarn needle.
