Crochet Handbag Pattern

Step 1: Create the Foundation Ring

1. Begin by making a slip knot.
2. Chain 6 (CH 6).
3. Join the first and last chains with a slip stitch (SL ST) to form a small ring.

Step 2: Crochet Round 1

1. Work 10 double crochets (DC) into the centre of the foundation ring.
2. Join the round with a slip stitch into the top of the first double crochet.
3. Chain 1 (CH 1) to prepare for the next round.

Step 3: Crochet Round 2

1. Work **2 double crochets (DC) into every stitch** around the entire round. This increases the stitch count to 20 double crochets.
2. Join the round with a slip stitch into the top of the first double crochet.

Step 4: Create the Handbag Handle

1. Chain 12 (CH 12) to create the handbag handle.
2. Bring the chain across the top of the handbag, making sure it is not twisted.
3. Attach the loose end of the chain to the opposite side of the handbag using a slip stitch.
4. Fasten off and carefully weave in any loose yarn ends with a yarn needle.

Embellishing Your Handbag With Embroidered Rosebuds

The embroidered rosebuds are the statement feature of this miniature crochet handbag, adding texture, dimension, and a beautiful floral finish.

1. Thread an embroidery needle with pink embroidery thread or fine yarn.
2. Embroider small rosebuds onto the front of the crochet handbag, arranging them in your preferred floral design.
3. Use green embroidery thread to create delicate leaves and stems around the rosebuds.
4. Secure the embroidery threads neatly on the reverse side of the crochet piece.
5. Gently arrange the embroidered details to give the rosebuds a fuller, more dimensional appearance.

Finishing Your Crochet Fashion Doll Handbag

Once the rosebud embellishments are complete, check that the handle is securely attached and all loose yarn ends have been neatly woven in.

Gently shape the crochet handbag with your fingers to achieve a rounded appearance, then slip the handle over your fashion doll's hand or arm.

Your **Statement Rosebud Blossom Crochet Fashion Doll Handbag** is now complete and ready to complement your doll's favourite handmade outfits!
