

Daisy Embellished Fashion Doll Blouse Free Crochet Pattern & Tutorial

Daisy Embellished Fashion Doll Blouse Free Crochet Pattern & Tutorial

This little crochet blouse combines a simple fitted bodice with an oversized daisy for a playful statement look. The olive green bodice gives the design a lovely garden-inspired base, while the dimensional white and golden-yellow daisy becomes the focal point of the entire piece. It is a fun fashion-doll project that uses basic crochet stitches along with a few taller stitches to create the flower petals.

Crochet Supplies

For this project, you will need a small amount of **worsted weight acrylic, cotton, or cotton-blend yarn**. I used **olive green yarn for the bodice, golden yellow for the centre of the daisy, and white for the petals**. You will also need a **2.5 mm crochet hook**, yarn needle, scissors, and your fashion doll for checking the fit as you work.

Fashion Doll Sizing

This crochet blouse is designed for **10.5-inch to 11.5-inch fashion dolls**. Because dolls can have slightly different bust and torso measurements, try the bodice on your doll before permanently closing the back. You can adjust the starting chain slightly if you would like a closer or looser fit.

Crochet Abbreviations

ch – chain
sc – single crochet
dc – double crochet
tr – triple crochet
sl st – slip stitch
st – stitch

The Bodice

Foundation: Make a slip knot and **chain 28**.

Row 1: Starting in the **3rd chain from the hook**, work **1 double crochet into each chain** across.

Chain 2 and turn your work.

Row 2: Starting in the **2nd stitch from the hook**, work **1 double crochet into each stitch** across.

Chain 2 and turn your work.

Row 3: Starting in the **2nd stitch from the hook**, work **1 double crochet into each stitch** across.

Once the third row is complete, fasten off if necessary and position the crocheted piece around your doll's torso to check the fit.

Closing the Back of the Bodice

Bring the two short sides of the bodice together at the back of the doll. Using your green yarn, work **single crochet stitches through both sides** to stitch the back of the blouse together.

Once the back is securely joined, **fasten off and weave in the yarn ends neatly** with your yarn needle.

Crocheting the Daisy Centre

Using your **golden-yellow yarn**, begin with a **magic ring**.

Round 1: Chain 3, then work **11 double crochets into the magic ring**.

Pull the magic ring closed. Slip stitch to close the round, then attach your **white yarn** to begin crocheting the petals.

Creating the White Daisy Petals

Round 2: Chain 2.

Into the **2nd stitch from the hook**, work **4 triple crochets**.

Chain 2.

Work **1 single crochet into the following stitch**.

This completes your **first daisy petal**.

To make the next petal:

Chain 2.

Into the **2nd stitch from the hook**, work **4 triple crochets**.

Chain 2.

Work **1 single crochet into the following stitch**.

Continue repeating this petal sequence all the way around the flower until you have created **6 petals in total**.

After completing the sixth and final petal, **slip stitch to join**. Fasten off the white yarn and neatly weave in the remaining ends.

Attaching the Daisy to the Blouse

Position the finished crochet daisy on the front of the green bodice. You can place it slightly off-centre, as shown, to create the oversized floral statement effect.

Thread a yarn needle with a coordinating piece of yarn and **carefully stitch the daisy onto the front of the blouse**. Sew around the centre and selected areas underneath the petals so the flower stays securely attached while still allowing the petals to retain their raised, dimensional shape.

Once the flower is firmly in place, secure your yarn on the inside of the blouse, fasten off, and weave in any remaining ends.

Your **Daisy Embellished Fashion Doll Blouse** is now complete and ready to style! Pair it with doll-sized jeans, a skirt, shorts, or simple trousers to let the oversized crochet flower stand out. You can also make more versions using different bodice, flower-centre, and petal colours to create a whole collection of floral crochet tops for your fashion dolls.
